

Geneva, June 20<sup>th</sup> 2019

To our stakeholders: We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Unfortunately, we are late in creating, sharing and posting our COP report due to the fact that it is the first year that we are taking part and that we need more time to gather all the required information from the different departments.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by August 30<sup>th</sup> at the latest.

Sincerely yours,

Catherine BAGNOUD

Head of Communication and Digital
