To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Eldorado Gold Corporation publishes its annual COP report via our annual *Year in Review Report* (YIR Report). The 2018 YIR Report has been completed and it is currently going through internal reviews and approvals before it can be made public.

We hereby ask for a small extension period in order to obtain the relevant approvals. Our new COP report will be posted on both the Eldorado and UN Global Compact website within 90-days.

Sincerely yours,

*D.T. Barrett*
