Dear Mr. Secretary-General,

I am pleased to confirm Systembolaget's continued support for the Global Compact and renewing our ongoing commitment to the initiative and its principles.

As a signatory, Systembolaget supports the ten principles of the Global Compact with respect to human rights, labour, environment and anti-corruption. With this communication, we express our intent to advance those principles within our sphere of influence. We are committed to making the Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals (SDGs).

We hereby also submit our annual Communication on Progress (COP) as stated in our Responsibility Report 2018 describing our company's efforts to implement the ten principles.

Sincerely yours,
