

July 1, 2019

Our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in the creation, sharing and publishing our COP Report because it is currently in the final stage of preparation and revision and will be finalized in the month of July.

We hereby request a period of extension in order to publish a COP that describes our company's efforts and progress in implementing the principles of the UN Global Compact. Our new COP report will be published in the UN Global Compact website on August 31, 2019 at the latest.

Sincerely yours,

Mr. Mario Antonio Ruiz Ramirez
