

GRACE LETTER

Lyon, 19/07/20

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to a merger between TOUT L'TEMPS PRESS and another company launched in the beginning of June and legally finalized July 1st.

We, then, need to align every financial processes and reorganize roles and responsibilities.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by October, 18th at the latest.

Sincerely yours,

Julien JAMOIS

CEO
