

United Nations  
Global Compact

The 24 July 2019

**Object: Grace period request**

Dear,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the 24 July 2019.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by the 20 October 2019 at the latest.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'D. Giot', is written over a large, stylized, scribbled-out signature. Below the signature, the name 'Didier Giot' and the title 'General Manager CCB' are printed in a standard black font.
