Grace Letter

May 21th, 2019

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to ongoing work preparing our corporate social responsibility report, scheduled for release end of July 2019. Only after gathering all information from all our locations and after completing our social responsibility report, we can assure that all relevant information is included in our COP.

We hereby ask for an extension period in order to be able to post a COP that describes our organization's efforts and progress in support of the UN Global Compact. Our COP will be posted on the UN Global Compact website by October 17th, 2019 at the latest.

Sincerely yours,

Mr. Dr. Matthias Grundmann
CEO DRADURA Holding GmbH & Co. KG

Mr. Matthias Kreye
CSO DRADURA Holding GmbH & Co. KG
