

Better Health, Brighter Future

July 31, 2019

To our stakeholders:

We recognize that a key requirements for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress ( COPS ) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating , sharing and posting our COP report due to delay in schedule for publishing Sustainable Value Report 2019.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by January 29, 2020 at the latest

Sincerely yours,
