Paris, 26 JUL. 2019

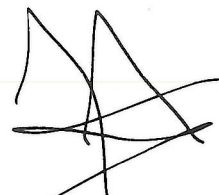

Dear Mr. Secretary General,

Since 2001, the EDF Group has been a strong supporter of the UN Global Compact and I would like, once again, to renew my personal support for this important initiative.

We acknowledge that the Communication on Progress (COP) is an important tool of transparency that gives us an opportunity for an internal and external annual evaluation of our achievements. The EDF Group has been reporting at the "Advanced level" since 2012 and commit to continue to reach this level of excellence in the future.

Moreover, through our six Corporate Social Responsibility Goals encompassing environmental and social issues, the EDF Group contributes to the UN Sustainable Development Goals. By implementing the ten UN global Compact principles and our six Corporate Responsibility Goals, the EDF Group strive to remain an efficient, responsible electricity company that champions low carbon growth.

Sincerely yours.

Jean-Bernard Lévy
