To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the global reorganization effort end of 2018, that impacted the whole group following our acquisition of the Ex Lombard Risk company and our extension in new regions (from EUROPE and NORTH AFRICA to UK, APAC, NAM and LATAM).

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by 20 September 2019.

Sincerely yours,

Ms. SANHAJI Myriam
Chief Social Responsibility Officer (CSRO)
