

Grace Letter

7 August, 2019

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in creating, sharing and posting our COE report as we are in the middle of our reporting cycle and we would like to finish, so we can provide the best information possible.

We hereby ask for an extension period in order to be able to post a COE that describes our nonprofit's efforts and progress to implement the principles of the UN Global Compact. Our new COE report will be posted on the UN Global Compact website by October 31, 2019 at the latest.

Sincerely,
Anne E. Kraemer Diaz
