

18 Aug 2019

Out of UN Global Compact initiative and its Ten Principles, we follow the Principle Ten: Anti-Corruption and try to overcome with our one point program:

One point program:

Our one point program against corruption is to ban EVM electronic voting machine all over the World and replace to express natural gender expression and response via ballot paper system to eliminate graft and corruption. As example, recently India is suffered a lot in this regard in 2019 general election.
