### **Adjustment Request**

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication in Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical action with regard to the main issue areas of UN Global Compact, and a measurement of outcomes or expected outcomes.

We are currently separating our sustainability reporting from our financial reporting and therefore want to align our COP deadline with our internal sustainability reporting cycle. We hereby request our COP deadline to be adjusted to 31 July 2020.

Sincerely yours,  
SFS Group AG
