

PO Box 1180, Nelson 7040
New Zealand

13 September 2019

To our Stakeholders:

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

We wish to align our UN Global Compact Communication on Progress with our annual financial and sustainable reporting cycle. New Zealand King Salmon publishes its report in October, for the previous financial year, ending 30 June each year.

We hereby ask for an adjustment to our deadline in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 12 October 2020 at the latest.

Yours sincerely,
