Dear Mr. Secretary-General,

In order to align with our annual reporting cycle, Bakkafrost P/f would like to submit an Adjustment Request, to revise the deadline for our first Communication on Progress (COP) on the ten principles of the Global Compact, from 4 December 2019 to 30 March 2020.

Bakkafrost P/f publishes its Annual Report and Accounts and Sustainability Report in March each year, and we would like our COP with respect to human rights, labour, environment and anti-corruption, to be aligned with this reporting process.

Yours sincerely,

Regjn Jacobsen
Chief Executive Officer, Bakkafrost P/f
