

Green Development Limited (GDL)

27th September, 2019.

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to recent staffing and change in responsibilities and assignments. The company has also amended its mission recently, and would like to communicate on that, wholly.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 15th December, 2019, at the latest.

Sincerely yours,

Prosper Burnson

Mr. Prosper Mensa Burnson, CEO.
