To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Though, we are late in sharing our COE report Due to the following reasons:

- SDF is still expanding on new projects and activities since 2017 and the progress and development need to be updated on the UN Global Compact website.
- SDF team is in a transitional development phase of reorganizing the departments and reform the organizational chart on its foundation.

Therefore, we hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by January 2020 at the latest.

Sincerely yours,

Ala'a Aldeen Almahdi - Program Officer
