## To our stakeholders

The key requirement for participation in the UN Global Compact is preparation and publication of the annual Communication on Progress (CoP), which contains the statement of the Chairman of the Board of JSC NC KazMunaiGas (hereinafter referred to as KMG) on the continuous support of the United Nations Global Compact (hereinafter-the UNGC), the description of practical action on the principles of the UNGC, as well as measuring the planned results.

This year, KMG is presenting the CoP as a standalone Sustainability Report for the year 2018 which will be posted on the UNGC website later than usual. Due to verification of the Sustainability Report for 2018 by external auditors.

Hereby, we ask you to extend the standard term for the placement of the CoP, which describes our company's efforts and progress in implementing the principles of the UNGC. The CoP report will be posted on the UNGC website no later than December 30, 2019.

Sincerely yours,
