

2019 Communication on Progress

Bunge's 2019 Communication on Progress for the United Nations Global Compact takes the form of the corporate web pages on the company's global website, www.bunge.com/sustainability.

It is a GRI Standards sustainability report and meets the Core-level, covering the company's policies, actions and achievements for the 2018 reporting year, though includes information as recently as June 2019.
