Dear Mr. Secretary-General,

Atos is a global leader in digital transformation with over 110,000 employees in 73 countries and annual revenue of over € 11 billion. European number one in Cloud, Cybersecurity and High-Performance Computing, the Group provides end-to-end Orchestrated Hybrid Cloud, Big Data, Business Applications and Digital Workplace solutions.

The purpose of Atos is to help design the future of the information technology space. Its expertise and services support the development of knowledge, education as well as multicultural and pluralistic approaches to research that contribute to scientific and technological excellence. Across the world, the group enables its customers, employees and collaborators, and members of societies at large to live, work and develop sustainably and confidently in the information technology space.

Corporate Responsibility is part of Atos DNA, as clearly stated in the Atos Human Rights Policy, Atos aims to be a responsible employer globally, acting fairly in its labor and employment activities, and to conduct business in an ethical and sustainable way.

I am pleased to confirm that Atos is again renewing its commitment to the ten principles of the United Nations Global Compact with respect to human rights, labor standards, protection of environment and anti-corruption, and continue to take concrete actions in all the entities part of Atos Group. These actions and their results are reported in two documents which constitute our Integrated Report and Communication on Progress:

- The Registration Document, with exhaustive information, which is shared with the market, by an official deposit to the French regulator "Autorité des Marchés Financiers". This document contains the whole set of key performance indicators aligned with the GRI Standards - Comprehensive Option, fully integrated with the financial statement of Atos.
- The Integrated Report, which is Atos official and public statement. This document contains the main key performance indicators and highlighting key initiatives and cases studies, as well as the GRI Standards Content Index Table, referring to the ten principles.

Atos reiterates its commitment to the Global Compact towards its stakeholders, regardless the nature of their relations with Atos. In addition, we reiterate the annual submission of our Communication on Progress (COP).

Yours sincerely,

Thierry BRETON
Chairman and CEO
