To our stakeholders:

Kikkoman Corporation recognizes that a key requirement for participating in the UN Global Compact is the preparation and posting of the annual Communication on Progress(COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

We are currently shifting our annual sustainability report to an integrated report with financial information. We will begin publishing our integrated report in December, for the previous financial year ending March 31st.

To align our UNGC COP and sustainability reporting, we hereby request for Kikkoman to publish its COP report on the UN Global Compact website annually by February 28th at the latest. We are grateful for your understanding.

Sincerely,

Mr. Hisato Nakano
