To our Stakeholders:

**HEALTH IS EVERYONE'S BUSINESS...LEAVE NO ONE BEHIND...**

**MOVE TOGETHER...We Stand Firm with the UN HLM UHC CSEM Principles!**

I am pleased to confirm that LiveWell Initiative LWI reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

It is the policy of the organisation that there should be no discrimination in considering applications for employment including those from the female gender and disabled persons. All employees are given equal opportunities for self-development. As at 15<sup>th</sup> October, 2019; We have trained and Certified almost 1,000 low literacy women including widows, old women and 'never schooled' women; as Hepatitis Champions, promoting SDGs 1, 3 and 4. We have instituted 1 (One) Health Post among low income indigenous populations through self effort (*looking for partners to scale*), and we have employed more than 60% female workforce at LWI and WIHA jointly.

Through self effort, we launched the first ever Womens Wellness Center in Hepatitis (**WWC-H**), promoting SDGs 3 and 5.

In the area of environment, the organization has collaborated with Corona School Gbagada and engaged in **Tree Planting**. In its pursuit of the **SDGs 1,3,4,5,6, and 17** the organization has collaborated with government, private sector, educational institutions, developmental partners and communities. LWI won recognition by the Economist Intelligence Unit this year (SDG1, 3), see <http://bit.ly/2xa665o>

We spoke at the Harvard University Boston's African Global Conference 2017, and led a **5-man team of poster presenters at #COLDA2019 - (SDG17)**. Our subsidiary Women in Hepatitis Africa **WIHA**, is **giving a strong voice to the Women of Africa (SDG5)** in the elimination of viral hepatitis by 2030. The organisation has trained in totality, **up to 3,000 African Women Champions in Hepatitis** - women from 14 African countries including trainings in Cairo Egypt and Port Louis Mauritius, in line with SDGs 1,3,4,5,and 17.

We are reaching out and giving a voice to Women of Africa and we are expanding our **Health Missions to the Poor and Underserved people**. In this annual Communication on Progress, we provide an indepth description of our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to sharing this information with our Multisectoral Stakeholders and Communities, using our primary channels of communication.

As a **UHC Advocate and CSEM Coordinator for Nigeria**, I wish to see UHC Succeed! Thank you.

Sincerely,

Bisi Bright
