Grace Letter
17 October 2019

To our stakeholders:

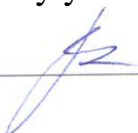

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

This year, we are late in creating, sharing and posting our COE report due to the following reasons:

- we are studying and planning in more detail possible ways and actions of our Ukrainian NGO “League of Professional Women” for better useful involvement in UN Global Compact’s activity for the next year.
- Our activities in mentoring support of the member of the Steering committee and writing of the National Parallel Report on the implementation by Ukraine of the Beijing Declaration and Platform for Action (until November 2019).

We hereby ask for an extension period in order to be able to post a COE that describes our organization’s efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by **25 January 2020** at the latest.

Sincerely yours,

Lazorenko O.

Dr. Olena Lazorenko,
LPW President
