To our stakeholders:

Our Company is undergoing some changes to its internal human rights work group, and therefore I am writing to respectfully request that we be granted the UNGC's 90-day grace period to post our next COP that will describe our company's efforts and continued progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by January 19, 2020 at the latest.

I appreciate your consideration of this request and your understanding. We are proud of our membership in the UNGC.

Sincerely,

A handwritten signature in blue ink, appearing to read 'P.V. Lalli', written over a light blue circular stamp.
