COE-Report

To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report because of executing a new procedure to integrate the SDGs in our consideration.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact.

Our COE will be posted on the UN Global Compact website by 2020-01-25 at the latest.

Sincerely yours
