To our stakeholders

I am pleased to confirm that the Endangered Wildlife Trust reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

In this Communication of Engagement, we describe the actions that our organisation has taken to support the UN Global Compact and its Principles as suggested for an organisation like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Yours sincerely
