**Sub: Request for Allowing Grace Period for Submission of COP**

Dear UNGC Team

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to my extensive travelling for various projects and business events in various countries in last couple of months.

We hereby request you to allow an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by January 29, 2020 at the latest.

Sincerely yours

Umair Azam
