

November 4, 2019

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication of Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report as we are new members of the UN Global Compact and did not realize our first COP was due within the first twelve months of joining. We will establish a process moving forward to ensure our COP reports are submitted within the specified timeframe.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by January 17, 2020 at the latest.

Sincerely yours,

Mrs. Leigh Ann Johnston
