To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Refinitiv proudly joined the UNGC as participants on 30 December 2018 and now want to align our internal reporting cycle with the COP deadline to best demonstrate our commitments and impact. We hereby request our COP deadline to be adjusted to 1 July 2020.

Sincerely yours

Luke Manning
