Dear Mr. Secretary-General,

I am hereby requesting an Adjustment of the Communication on Progress (COP) submission date. TMG Automotive currently COP submission date is 02.02 and we request that this date be adjusted to 30.04.  
We use our Sustainability Report as our COP and, as the reporting period is 01.01 – 31.12, the time available to work all the information present in the report is quite limited. Moreover, we would like to align the Sustainability Report with our Report and Accounts, which normally is due on April.

Sincerely yours, *Respeitosamente,*

Isabel Gonçalves Folhadela Furtado  
CEO
