To our Stakeholders,

RE: REQUEST FOR EXTENSION OF COP REPORT 2019

We recognize that a key requirement for participation is annual preparation and posting of communication on progress (COP) that companies of a CEO statement of continued support for the UN Global compact, a description of practical actions with regards to the principles of the UN Global Compact, and measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP due to only few people at the moment- so we need a little bit more time to finish.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principals of the UN Global Compact. Our COP report will be posted on the UN Global Compact website in 90days at the latest.

Sincerely Yours,

Angel Mbogoro

Managing Director
