ADJUSTMENT LETTER

We refer to telephone call and submit according to agreement application for postponement of deadline for reporting Communication on Progress (CoP).

Sparebanken Sør endorsed UN Global Compact ten principles 27. November 2018. Our deadline to report annual CoP to the UN Global Compact is 17. December 2019. We will be able to do this. However, we hereby request our CoP deadline to be adjusted to April 1st 2020, and the deadline for CoP the later years to the same date.

The main reason for the application for change of time, is to align CoP deadline with our internal reporting and annual report cycle. For this year, especially because we are in the process of establish GRI standard and we intend to report GRI 2019 together with other internal report by April 1st.
