

LYON, 2019 December 11th

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report (initial due date to 2019-12-17), due to the impact of French national strikes early December, impacting our distant teams in NANTES, LYON, and PARIS.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 2020-03-01 at the latest.

Sincerely yours,

Bernard de BALMANN
Président
