To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report because this is our first COP report and we need extra time for collecting the necessary data and post it on the UN Global Compact website.

Therefore, hereby we ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 31st of March 2020 from COP deadline at the latest.

Sincerely yours,

NSI Nier Soluzioni Informatiche S.r.l.
