Dear Sir/Madam,

RE: CHANGE OF COP REPORT DATE

I am writing to request for a change of date for our Communication on Progress report to the UN Global Compact. This is to align our CoP report and submission to the publication of our integrated annual report which takes place in mid-late April. To this end, I am requesting to adjust our cycle to 8th May 2020.

If you have any queries, please feel free to reach me on: susanwanjiku.njoroge@sc.com +254 799 346 432.

Sincerely,
