

## Happy Forest International Holdings Group Co., Limited

December 12, 2019

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to The workload is too heavy, and a theme dinner will be held on April 9, 2020. We hope to unite more artists, entrepreneurs and financiers to support the sustainable development of the United Nations, establish a strong non-governmental fund-raising mechanism, and thoroughly solve the problem of tight funding for the United Nations. We are doing goal 17: revitalize the global partnership for sustainable development of SDG project.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by April 9, 2020, max. 90 days from COP deadline] at the latest.

Sincerely yours,
