

December 16<sup>th</sup>, 2019

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the preparation and posting of a Communication on Engagement (COE) every two years that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

The COE report for the City of Dubai have not been submitted yet. City of Dubai is a participant of UNGC since 2013. DLD has taken the responsibility of representing the City of Dubai, as they were the entity hosting the previous UNGC UAE network. In 2019, a new UAE Local Network has just been established. DEWA is chairing the current UAE LN and will be the official representative of the City of Dubai in UNGC.

Due to the recent changes, we hereby ask for an extension period in order to be able to post a COE that describes City of Dubai's efforts and progress to implement the principles of the UN Global Compact. The new COE report will be posted on the UN Global Compact website by March 15, 2020 at the latest.

Sincerely yours,

**Waleed Ali Ahmed Bin Salman**  
**EVP – Business Development & Excellence**
