To our stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the biennial preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to unexpected changes in our organization, which created a lot of additional work for the top management of the school.

We hereby ask for an extension period in order to be able to post a COP that describes our academic institution's effort and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global website by March 20, 2020 at the latest.

Sincerely yours,

Mr. Philippe Du Pasquier

President of the Board
