

OSVITORIA

Osvitoria is a non-profit public organization promoting the development and reform of education in Ukraine. We create innovative schools and programs, help teachers to improve professionally and make education accessible to children from low-income families.

What We Do

In our daily work we are guided by our values, vision and The Sustainable Development Goals:

Goal 4: Quality education.

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

Goal 17: Partnership for the goals

Strengthen the means of implementation and revitalize the global partnership for sustainable development.

Creation of innovative educational institutions

We create the best schools and platforms that help reform the education system in Ukraine.

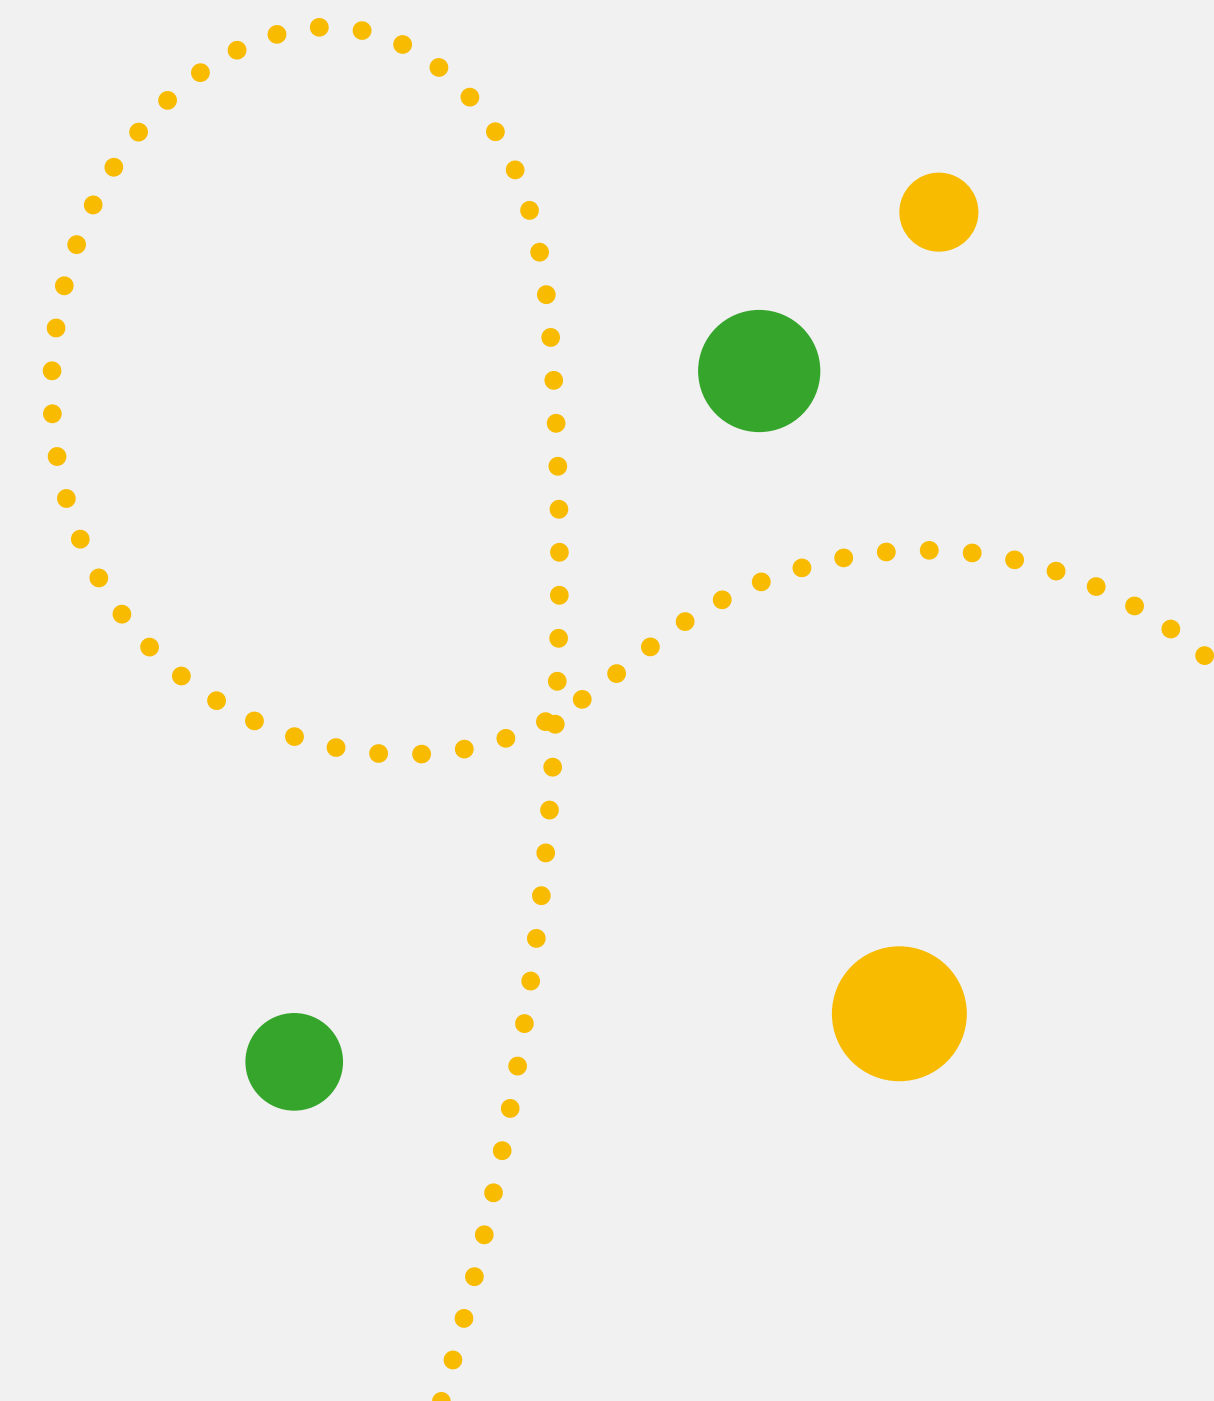

Personal development of teachers

We prove that teachers are important, and inspire educators for great achievements for the sake of those who will grow and be shaping the future of Ukraine and the world.

Access to quality education

We strive to make quality education accessible to everyone, to give children the possibility to learn, dream, and believe in themselves.

Novopecherska School

This is a modern Ukrainian school with global thinking and Ukrainian heart.

We created this school in 2014 as a pilot project to further reform the entire secondary education system in Ukraine. Leading Ukrainian educators and consultants from the Canadian Bureau for International Education (CBIE) developed a unique teaching program for the Novopecherska School, combining Ukrainian national standards with the world's best methodologies. Now our teachers are experts and help the Ministry of Education and Science to implement innovative methods in other

Ukrainian schools.

More than 70 charity projects were implemented by students in 2019.

8 students received scholarships to study.

Osvitoria Hub

The biggest project for Osvitoria in 2019 was opening an educational hub.

Osvitoria hub is the first Ukrainian creative space for educators, teachers, parents, students and everybody who develops education in Ukraine.

This is the place where educational change agents from all around Ukraine come together to work, learn, get inspired, share their achievements and find other creative minds.
