January 2020
Cairo

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are very excited about sharing our latest contributions to bridging the gap between private growth and development in our upcoming COP.

We are late in sharing our COP report as we are planning for an exciting new year full of impact! We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by April 2020.

Sincerely yours,

Mohamed El-Kalla
