| Grace Letter

São Paulo, January 7th 2020.

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to unforeseen events.

We hereby ask for an extension period in order to be able to post a COP that describes Mosaic Fertilizantes efforts and progress to implement the principles of the UN Global Compact. Our COP report will be posted on the UN Global Compact website by March 11th, 2020 at the latest.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Meirelles".
