

Curitiba, January 17th 2020

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report since the official deadline communication was only received at the present date. Moreover, due to the fact that the law activities in Brazil are in recess on the holidays, our activities were only resumed on January 13th 2020.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by February 29th 2020 at the latest.

Sincerely yours,

Melina Girardi Fachin
