Adjustment Request UN Global Compact 2019

Dear Mr. António Guterres,
Dear ladies and gentlemen,
Dear stakeholders,

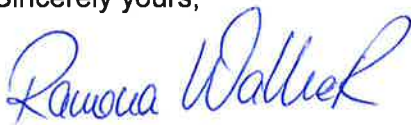

As member of the UN Global Compact we recognize that a key requirement for participation is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of (expected) outcomes.

Our last COP was posted on 13th February 2019 and included the figures from the previous year. In the last months we improved our internal and external CSR process and our target is to harmonize our annual reporting cycle with the COP deadline.

Therefore we request our COP deadline to be adjusted to 31 December 2020.

Thank you very much.

Sincerely yours,

Ms. Ramona Wallner
CSR Manager, energy and environmental management representative
