## Grace letter request

*Hellerup, January 30, 2020.*

MOL Nordic Tankers applies for a 90-day extension of our current submission deadline February 1 2020.

At MOL Nordic Tankers, we are strongly committed to comply with the Principles of the UN Global Compact and to submit an annual report outlining our policies, achievements and goals for the future.

Following a year with several comprehensive integration processes due to a shift of ownership, we are currently reviewing policies and procedures to ensure alignment across all areas. Therefore, we hereby ask for a postponement of our COP report submission to ensure that the final report illustrates all applicable policies, achievements and goals for the future.

Our new COP report will be posted on the UN Global Compact website by May 1 at the latest.

We look forward to submitting our COP report to the UNGC website.

Best regards,

**Christine Lindberg Knudsen**
