Part I. Statement of Continued Support by the Chief Executive or Equivalent

To our stakeholders:

I am pleased to confirm that Academic mobility center reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

In this Communication of Engagement, we describe the actions that our organisation has taken to support the UN Global Compact and its Principles as suggested for an organisation like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Academic mobility center is already engaged in activities linked to the ten principles of the UN Global Compact. We strongly believe that our participation in the UN Global Compact will foster our socially responsible initiatives and add further value to sustainable development at global level.

Sincerely yours,

Maksim Orlov
Academic mobility center
President

Part II. Description of Actions

Academic mobility center is an international non-governmental organisation established to «widen opportunities of young generation in getting an access to educational, scientific and cultural programs around the globe» and active participation «in the strengthening of people's equality and human dignity respect by assisting human rights protection in education».

The Organisation has actively working team members — on strategic partnership in education, science and culture; on educational tourism, on gender and human equality in education; on environmental education and involvement to actions protecting environment through education; on sustainable development, on academic mobility and life-long education. Every team member have own innovative approaches and present professionalism that allows Academic mobility center develop fast and widely.

The Academic mobility center supports international and interregional cooperation in education and youth mobility. By consulting with UNESCO, CEDEFOP, Russian Ministry of education and science and non-governmental institutions the Organisation develops own projects to implement the 4th Sustainable Development Goal.
