To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the preparation and posting of a Communication on Engagement (COE) every two years. This report comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the main issue areas of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We wish to align our Communication on Engagement deadline with our internal reporting cycle. For this reason, we hereby request our COE reporting deadline be adjusted to June 1<sup>st</sup>.

Sincerely yours,
