Viborg, 4th of March 2020

**Grace Letter**

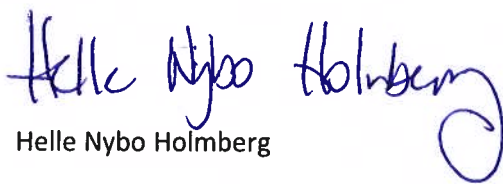

We hereby request for a new deadline for submitting our CoP to be changed to the 3<sup>rd</sup> of April 2020.

Our marketing department has some sickness and we are not able to have the finished CoP for 2019 ready for 15<sup>th</sup> of March.

We hope for your understanding and look forward to having your accept for this.

Best regards
