GRACE LETTER

To our stakeholders: We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the fact that Unit-T is part of Solutions30 SE. A group of companies in Europe. We just started in February a taskforce to align all CSR initiatives and communications. Unit-T on its own was granted a Golden Medal (65 points) of EcoVadis in July 2019.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by June 6 2020 at the latest.

Sincerely yours,

Koen Verbergt

CEO
