

## Coca-Cola HBC AG

9<sup>th</sup> of March 2020

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the official publishing date of our 2019 Integrated Annual Report and 2019 GRI Content Index report which is after the required deadline for publishing of the UN COP Report (after 18<sup>th</sup> of March 2020). We use evidences and information coming from both reports in order to submit full and comprehensive UN COP report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 31<sup>st</sup> of March 2020 at the latest.

Sincerely yours,
