

To our stakeholders

## Communication on Progress

Dear Sirs

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Thalwil, 16.03.2020

We are late in creating, sharing and posting our COP report; due to that we plan to publish a new and comprehensive sustainability report by the end of Q2 2020.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 28 June, 2020 at the latest.

Kind regards,

u-blox AG
